

Make an Advent Calendar

Print and cut out the 25 parts to the Christmas story. (Separate files)

Here are some things you could do...

- Each day of Advent peg a bit of the story up on a string.
- Stick each part on a label and tie one onto your Christmas tree each day.
- Buy or make 25 envelopes, number them 1-25, fill them with the piece of the story for that day along with some sweets or a little toy. Open one each day of Advent.
- You might have another idea....
